INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Oprah and Stedman, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant".

This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a

relationship compatibility report.

Oprah and Stedman, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Oprah, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Oprah, your Life Path is 13/4

Oprah, you are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily!

You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation. Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not

everyone can keep up with you.

Oprah, you can handle money carefully and like the security of a nest egg.

Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

Oprah, your 13 Life Path is somewhat burdened by the presence of a Karmic Debt.

Those with the 13 Karmic Debt will work very hard to accomplish any task. Obstacles stand in their way, and must be overcome time and again. One may often feel burdened and frustrated by the seeming futility of one's efforts there may be a desire to surrender to the difficulties and simply give up on the goal, believing it was impossible to attain in the first place. Some with the 13 Karmic Debt fall to laziness and negativity. But efforts are not futile, and success is well within reach. One simply must work hard, and persevere in order to reach the goal. Many highly successful people in all walks of life, including business, art, and athletics, have a 13 Karmic Debt.

The key to succeeding with the 13 is focus. Very often, people with the 13 Karmic Debt do not concentrate or direct their energies in one specific direction, or on a single task, but scatter their energies over many projects and jobs, none of which amount to very much. A temptation with the 13 is to take shortcuts for quick success. Too often, that easy success doesn't come, causing regret and the desire to give up. The result is a poor self-image, and the belief that one is incapable of amounting to very much.

In order to focus, you must maintain order in your life. Order is essential to success. You must maintain a schedule, keep appointments, and follow through. Keep your environment neat and under control, and never procrastinate. If you sustain a steady and consistent effort, you will realize much reward.

Stedman, your Life Path is 16/7

Stedman, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. Stedman, you need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

Stedman, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Stedman, your 16 Life Path also reflects the presence of a Karmic Debt. The 16 Karmic Debt means destruction of the old and birth of the new. The 16 is about the fall of the ego, and all that it has built for itself. It is a watershed, a cleansing. All that has been constructed, and all that serves to separate the person from the source of life is destroyed. Through the 16, reunion with the Great Spirit is accomplished.

This can be a painful process, because it usually comes after much ego inflation. This results in a struggle between the ego and the divine will. Life presents challenges to your grand plans, which can be resented and struggled against. It is a lost battle, and you will likely feel humbled in the face of the collapse that follows. This humility is the key to later success, however, because you will learn to follow the intimations of a higher reality. In the destruction of the old, a spiritual rebirth takes place with an entirely new awareness. This rebirth affects every area of your life. It is a life much the better for the fall.

Those with the 16 Karmic Debt must be careful of egotism. Very often, those with the 16 use their highly intuitive and refined intellect to look down upon others, and view the rest of the world as inferior. This causes acute alienation and loneliness. In addition, it invites retribution, for the egotist is humbled more harshly than any other. When the 16 is in one of the core numbers, this process of destruction and rebirth is a continual cycle that actually serves to bring you into higher consciousness and closer union with the source of life.

The 16 Karmic Debt can be a path of progress and great spiritual growth if it is looked at properly. One develops great faith by placing one's life in the hands of God. Through such faith, gratitude and peace are firmly established.

Your Life Path's compatibility is 4 and 7

Oprah and Stedman, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

Oprah and Stedman, your combination is almost made in heaven. The "almost" can't be left out because there are some sharp angles to be rounded off. This relationship is founded more on intellectual and spiritual levels than on the sensual, physical plane. Oprah is practical and grounded, goal-oriented - Oprah is a doer. Oprah can take ideas, quickly eliminate what won't work or is unrealistic, and then make the realistic ideas materialize. Oprah is of the earth. Stedman, on the other hand, is full of ideas and spiritual search, philosophical and a bit of a dreamer. So, earth and heaven make up this combination, and, just like earth and heaven, you can't exist without each other. Although this is only one aspect of the chart, its influence will help you overcome many of the obstacles and challenges inherent in every relationship.

This combination is often found among relationships that started at a very early age -

something that can be explained by the fact that both numbers are drawn to each other because what they have to offer is exactly what they need from each other. Oprah experiences Stedman's more abstract and philosophical outlook on life as offering freedom and space for Oprah's solid, dependable, but somewhat too structured, restricting views. At the same time, Oprah offers Stedman a stable, secure port in an internal universe that is often chaotic and highly unstable. As a number seven, Stedman knows the dangers that lurk in the dark corners of the subconscious when the mind wanders too far into the realms of dreams and abstract fears. While Oprah offers a safe haven to Stedman, helping Stedman find peace and comfort, Stedman, in return, brings freedom to Oprah's spiritual and mental experiences. Supported by this mutual complementation, this four and seven combination can bring about childhood romances that will last for a lifetime.

The sharp angles I mentioned earlier are found on the more mundane, physical plane. This is where you both may have to compromise if you want your relationship to develop. While Oprah requires order and respectability, Stedman is more comfortable with a bit of chaos, in which Stedman can pose as an observer, an unconventional observer, not per se seeking the approval of others.

If you are successful in compromising on the material plane, your relationship will be very satisfying and you will get as close to the proverbial "soul mates" as any two people can get.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Oprah and Stedman, your Expression is 7

Oprah and Stedman, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Oprah, you are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher.

You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Oprah, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general.

The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist.

You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

Oprah, you have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Your Expression's compatibility is 7

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Oprah and Stedman, yours is a beautiful combination, with great potential for spiritual growth for both partners. You are people who take life and life's mysteries serious. Your strong intellectual and spiritual bond makes you thrive on each other's mental powers. The relationship between two seven's may start in the heart, but it quickly moves to the soul and the term "soul mates" often applies to people who have the seven in common in this part of the chart.

Poets at heart - even if you have never written a poem in your life - you understand intuitively that your bond with each other is spiritual in nature and more valuable to you than anything else in the world. You grow together, without the need to constantly be together. You communicate in half sentences and you often find yourself thinking or expressing the exact same thing your partner was just getting ready to say.

Oprah and Stedman, if your relationship is moving towards maturity, you are likely to be, as they say, connected at the hip. Having said all that, there are also some things you need to watch for not to spoil such a beautiful relationship. The seven excels at making mountains out of molehills. No other number can, at times, become as stubborn and unforgiving when it comes to small matters. In extreme cases, the seven can become small-minded, even neurotic. While rare, a tendency to let some minor discordance become a major disagreement does exist. What is interesting though is that, when that happens, it is almost always over something minor because, when it comes to major issues, the seven is too intelligent to narrow the mind to a small picture. For example, the same person who can lead a study and discussion group with great perspective and

openness of mind to even the most outrageous ideas can also turn into a hair splitter when it comes to small household issues.

Oprah and Stedman, there is one issue you should be particularly aware of since it has been known to break apart this kind of otherwise excellent number combination. You both experience a strong, highly imaginative inner life. As a consequence, you need time to be alone, you need your own space, your own private domain. When your living space is too small or when your hectic lives, always surrounded by other people, makes this impossible, you will find that this need for quiet personal space slowly starts to dominate everything else in your life. That is why it is not uncommon for someone with a seven in this part of the chart, to one day just up and leave a promising career and a wonderful family. It is up to you not to let this anxiety, this need for space and peace become overwhelming. When you realize this is the ongoing process in your life, you need to answer to the call in a responsible and timely manner. It is much better to take a four-week vacation than to keep going for another year or two, just to reach a point where leaving permanently is the only option left.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Oprah, your Heart's Desire is 13/4

You like to live a stable, well organized life. You dislike sudden changes. You prefer orderliness in all things. You have a systematic mind that is reflected in everything you do. You can establish and maintain a routine. You are exacting with details and quite thorough.

You like to carefully analyze a problem and then tackle it in a logical and practical approach. You want to be dependable, a rock of strength and an example of discipline for others.

Work is central to your life, but you may have a tendency to overdo it; you can easily

become a workaholic if you're not careful. You have a great deal of energy and can accomplish a lot.

You want a family and you are a good parent. You may carry the discipline and the need for orderliness too far, especially in your family, making children and spouse feel oppressed and limited. Flexibility is your key to harmony and balance in life. For you, structure is more important than freedom, which you tend to interpret as chaos. But others do not have your need for well defined systems, in fact, they may feel deeply inhibited and uncomfortable with it. The peace you get from orderliness may represent a prison to someone else.

Oprah, you need and want much love, but you are not very demonstrative. You can be a little rigid and stubborn.

You are honest and unpretentious. You detest liars and affectations.

You can be very determined and tenacious. You are the bedrock of any enterprise. You have the courage to go into the nitty gritty of a problem and come up with a solution. Try not to lose sight of the larger picture and dream while you plumb the depths of the bottom line.

Stedman, your Heart's Desire is 8

Stedman, you want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards.

You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Stedman, your task in life is to learn to use power in refined and elevated ways. The expression and use of power is directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving.

You need to cultivate your ability to evaluate others.

It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task,

you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old cliché, "Idle hands are the devil's workshop." Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love.

Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

Stedman, you need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

Your Heart's Desire's compatibility is 4 and 8

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

This is an excellent combination of numbers, not only in romance, but also in business. The four and the eight are like the gears in an engine. They connect perfectly and increase each other's torque. By joining their forces, they triple or quadruple their output. This is considered the best possible blending of archetypes for a business.

Oprah delivers the persistence, determination, dependability, and methodical approach required to reaching any set goal, while Stedman, the visionary, brings in the conviction that no dream is unattainable.

Fortunately, a similar synergy exists in romance as well. Although the four and the eight are different in many ways, they respect each other and recognize each other's value. Together, they are able to create a wonderful environment of trust, love and deep spiritual bonding.

Oprah and Stedman, although this aspect of your charts reveals an almost perfect combination, dangers do exist, like in any other number combination. Stedman will eventually need to try something that Oprah will perceive as outrageous and doomed to fail. Stedman's stubborn determination and at times authoritarian approach may very well become a major irritant in Oprah's life. Oprah, whenever that happens, the best approach is to simply back off. Communicate your ideas, but don't ever try too hard to persuade Stedman to give up a plan or a goal Stedman believes in. By the same token, Stedman will, at times, feel that Oprah is a stick in the mud who doesn't dare to step off the beaten path. In such situations, Stedman would do well to remember that such behavior does not mean a lack of courage on Oprah's part, but simply that Oprah will not waste time or take risks for something Oprah doesn't believe in. In any of the situations just described, feelings of frustration may overshadow the love and respect that is the foundation of this relationship, leading to devastating results. Although rare, it is not

unheard of for this combination to survive several major breakdown-reconciliation experiences, even divorce and re-marriage. The way to avoid pushing it too far is through compromise. Compromise is the key word to safeguard this excellent number combination. Sometimes, Oprah, even when you know a project is doomed to fail, it may still be worthwhile to pursue it. As for you, Stedman, your goals or ideas may be valid, yet, as you typically become more enthusiastic and motivated when Oprah - or anyone else for that matter - says it is impossible, you might want to consider whether pursuing it is the smart thing to do.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Oprah, your Personality is 12/3

Oprah, you are highly attractive. Many men with a 3 Personality are very handsome; women are often strikingly beautiful.

Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party.

You are extroverted and optimistic. You appreciate fine clothing and jewelry, and enjoy dressing up a bit. You like glamour, and are sought after by the opposite sex.

You are a romantic. Oprah, you fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity.

You can be flippant about commitments and may dramatize or exaggerate.

Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life.

You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

Stedman, your Personality is 8

Stedman, you appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources.

You radiate confidence. People defer to you because they sense your sureness and effectiveness.

You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and ability, which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities, and should reflect in your clothing.

Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Stedman, your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely.

Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

Your Personality's compatibility is 3 and 8

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Oprah and Stedman, the three and the eight affect one in very different ways. So, when these two numbers appear together in this part of the chart, the couples are compatible in some areas, incompatible in others. Oprah brings in the creative, somewhat scattered, but yet inspiring and uplifting energy. Stedman is more ambitious, goal-oriented and focused. You are both energetic and capable of turning dreams into reality, even though with different approaches. Quite often, this combination is seen between business partners, or long-time friends who start a business together. In that environment, Oprah would be the initial creative source, while Stedman would be the visionary. Together, you could do very well.

You are also both good communicators. Oprah has the ability to clarify an issue with a sense of humor and pinpoint precision. Stedman takes a more practical approach by

simply grabbing the bull by the horns.

In many ways, Oprah and Stedman, you complement each other and are quite compatible, as revealed in this part of the chart. But, just like in any other number combination, there are areas where problems may arise.

Stedman is ambitious, practical and capable of sustained effort for a long period of time in order to reach a goal. Oprah also has the energy and drive needed to make things happen, but Oprah may drop a project when it is no longer interesting or when other projects become more important. This can be upsetting to Stedman, who feels that a commitment, such as a set goal, should be honored at any rate - - anything less is unacceptable to Stedman.

Oprah, on the other hand, will sometimes feel that Stedman's priorities are too much directed to Stedman's own needs and expectations. Stedman can be quite demanding, while Oprah is more easy-going - - if something doesn't work out, oh well, let's try something else. Stedman doesn't accept that and feels that the whole purpose of setting a goal is to overcome the obstacles one is bound to encounter.

In the end, the issue comes down to respect. The three and the eight have such different views as to what is important in life that, unless they learn to respect each other's needs and expectations, the relationship will not last long. However, more often than not, the three and the eight get along quite well.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Oprah, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Stedman, your Personal Year for 2016 is 9

This is your year to finish up all unfinished business, Stedman, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Stedman, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicyle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicyle.

Your Personal Year's compatibility for 2016 is 3 and 9

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Oprah and Stedman, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Stedman, however, is also experiencing a challenging time of powerful emotions. Stedman is on shaky ground and needs a stable environment as well as Oprah's support and confidence. Oprah is more upbeat and optimistic than usual and can be a much-needed source of comfort for Stedman. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Stedman's need to feel secure is enforced.

Oprah should be aware that Stedman is not as grounded as usual right now and some patience may be prudent. For Stedman, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Oprah's ability to be a source of strength and comfort for Stedman. Oprah and Stedman, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Oprah, with the three-cycle, can support Stedman during the time the nine dominates.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for to long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

But November brings assistance in the form of a promotion or additional financial support.

Stedman, your Personal Year for 2017 is 1

Be ready for major changes. Stedman, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

Stedman, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Your Personal Year's compatibility for 2017 is 4 and 1

Stedman and Oprah, as a rule of thumb, the one-and-four combination, when found in

this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Stedman, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Oprah, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Oprah, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Oprah, have faith in that and just keep going. Stedman, don't get impatient with Oprah's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Oprah, your Personal Year for 2018 is 5

This is a year of dynamic change, Oprah. Many surprises will come your way. Be open and ready to embrace new opportunities.

Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you.

There will be increased opportunity to travel and possibly a change of residence.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

You will have some unexpected adventures and lucky breaks this year.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Stedman, your Personal Year for 2018 is 2

Stedman, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Stedman, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year's compatibility for 2018 is 5 and 2

Stedman and Oprah, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Stedman, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Stedman. At the same time, Oprah is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Oprah's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Oprah is too quick and impulsive, Stedman is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Stedman, your Personal Month for September 2016 is 9

Stedman, September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Your Personal Month's compatibility for September 2016 is 3 and 9

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Oprah and Stedman, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Oprah, your Personal Month for October 2016 is 4

Oprah, October is a 4 Personal Month in a 3 Personal Year. It requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations.

Career is a high priority and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well.

There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, Oprah, this month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Stedman, your Personal Month for October 2016 is 1

Stedman, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the

cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Stedman, you may meet someone who becomes a permanent fixture in your life.

Your Personal Month's compatibility for October 2016 is 4 and 1

Stedman and Oprah, as a rule of thumb, the one-and-four combination, when found in this part of the progressive chart, is not compatible. Although both cycles represent strong drive and motivation, as well as a need to apply and put forth effort, they express it very differently. Stedman, you are motivated in large part by enthusiasm, dreams, hope and a can-do attitude. Oprah, your drive is born from frustration and the feeling that you need to break out of a shell that has for too long limited and restricted you. Your frustration may become worse before it gets better, Oprah, and your challenge is not to let it vent itself towards the people you love and care for. The four cycle is never an easy one, but, in the end, it invariably brings progress and a breakthrough of some kind. So, Oprah, have faith in that and just keep going.

Stedman, don't get impatient with Oprah's doubts and frustration. Remember that this is a time of opportunity for you, and that is what you should go for. Just focus on your goals.

Oprah, your Personal Month for November 2016 is 5

November is your second 5 Personal Month in a 3 Personal Year, and as before it brings change, excitement, and possibly a financial boost. The 5 brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may have a tendency to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Stedman, your Personal Month for November 2016 is 2

Stedman, November is a 2 Personal Month in a 9 Personal Year. You may find

yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month's compatibility for November 2016 is 5 and 2

Stedman and Oprah, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Stedman, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Stedman. At the same time, Oprah is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Oprah's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Oprah is too quick and impulsive, Stedman is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Oprah, your Personal Month for December 2016 is 6

Oprah, December is a 6 Personal Month in a 3 Personal Year. The month stabilizes your work-environment, but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result.

It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload.

This month is good for business and financial affairs, particularly for long-term

planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during the course of this year, this is a good month to exchange vows.

This should be a wonderful time for most of those who are in the last stage of this 3 Personal Year. The holidays bring family and friends together, for much love and the rewards of the season.

Stedman, your Personal Month for December 2016 is 3

Stedman, December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

Stedman, you are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month's compatibility for December 2016 is 6 and 3

Stedman and Oprah, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Stedman, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Oprah, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Oprah needs more attention than usual during this time, while Stedman requires less attention and would rather devote more time to people and activities outside the relationship.

Oprah, your Personal Month for January 2017 is 5

Oprah, January is a 5 Personal Month in a 4 Personal Year. You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels

a little bit out of control. However, hidden forces are guiding you carefully and your best approach is to persevere.

Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Oprah, your family members demand a lot of attention and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Stedman, your Personal Month for January 2017 is 2

Stedman, January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the second of those years. Stedman, your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply.

Friendships intensify and can be very comforting and healing.

You will likely find yourself being helpful to others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others.

You will be tactful and capable of creating harmony where there was turmoil. At times, you may be overly sensitive, and may not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month's compatibility for January 2017 is 5 and 2

Stedman and Oprah, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be

disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Stedman, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Stedman. At the same time, Oprah is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Oprah's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Oprah is too quick and impulsive, Stedman is too sensitive and emotional. It will help you to keep this in mind and allow each other some leeway during this time.

Oprah, your Personal Month for February 2017 is 6

Oprah, February is a 6 Personal Month in a 4 Personal Year. It brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well.

Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed.

You, in turn, receive comfort and satisfaction from their obvious love for you. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Oprah, your focus should be on being dependable and active.

There is no room for procrastination. Your health improves during this time.

Stedman, your Personal Month for February 2017 is 3

Stedman, February is a 3 Personal Month in a 1 Personal Year. It brings objective reasons for optimism. Now there is a sense of promise in the year. You see your direction a little clearer. There is a sense of beginning. This causes you to lighten up and become more social, especially during the latter part of the month. People are attracted to your upbeat attitude. You attract support from unexpected sources.

A new project ignites your excitement, energy, and motivation, all of which you are able to communicate to others.

The real work does not start until next month, and for that reason, this month offers some time for planning, as well as leisure and rest.

You are quick-witted and your sense of humor is enhanced. Friends are drawn to you and there will be plenty of invitations for social events.

Romance is exciting and promising. Stedman, your self-expression is improved and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Your Personal Month's compatibility for February 2017 is 6 and 3

Stedman and Oprah, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Stedman, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Oprah, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Oprah needs more attention than usual during this time, while Stedman requires less attention and would rather devote more time to people and activities outside the relationship.

Oprah, your Personal Month for March 2017 is 7

Oprah, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Stedman, your Personal Month for March 2017 is 4

Stedman, March is a 4 Personal Month in a 1 Personal Year and is the time to deliver; to show yourself and everyone involved that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on

all the details.

This is also a month in which your ability to plan and organize future events is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort.

Slacking would be a serious mistake.

The month can be a little frustrating because so much of your energy will have to be directed to work and details, even routine matters. But this is a time that will likely bring forth an important opportunity, and result in real progress.

It's surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getters approach and your can-do mentality. Stedman, you will find yourself in demand.

Your Personal Month's compatibility for March 2017 is 7 and 4

Stedman and Oprah, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Stedman, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Oprah, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.

Oprah, your Personal Month for April 2017 is 8

Oprah, April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management.

Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Oprah, your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a

business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Stedman, your Personal Month for April 2017 is 5

Stedman, April is a 5 Personal Month in a 1 Personal Year. It brings change in many practical areas of your life. As explained earlier, this year and last combine to bring about major changes. April brings many of these changes to the surface. They can include a change of residence or in career.

The month often includes travel. You can count on a dynamic month, hectic even, but also adventurous and exciting.

Consequently, the month requires flexibility and a willingness to accept change. Adapt. Respond. Embrace change. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises, but don't worry; the changes will streamline your ship and make your progress easier and more efficient.

Stedman, your ability to promote yourself and your ideas is also enhanced. You have an uncanny talent to be in the right place at the right time this month. Both at work and at social events, you'll be able to advertise your talents and abilities. People will be drawn to you.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline in order to prevent the scattering of your energy. Unless you concentrate, you may realize at the end of this month that you did not get a lot done.

Romance reveals a self-indulgent and perhaps irresponsible streak in you and should be handled with the utmost care.

Your Personal Month's compatibility for April 2017 is 8 and 5

When it rains, it pours, Stedman and Oprah. This is a time when neither one of you will find it easy to keep up with your partner. Stedman has a lot going on, juggling more balls than usual. Oprah is experiencing strong ambitions and visions of what can be accomplished and how many opportunities there really are. With very different energies currently influencing you, Stedman and Oprah, there is not much room to sit down and simply enjoy each other's company. That's okay, though, because you will get plenty of that in the next cycle, when you both shift your focus towards family, friends, and each other.

Stedman, your cycle brings a lot of change, but it will take time to sort it all out, and several other cycles will go by before you will be able to see clearly the lasting effect of these changes. Oprah, your cycle may, in the end, put your next goal or goals sharply in focus. It could be said that Stedman's energy is like molecules bouncing all over the place, establishing boundaries and discovering space, while Oprah's is more sharply focused on a particular point.

The most common mistake couples in this combination of cycles make, is to try to make each other see the world through each other's eyes. The only result will be frustration and mutual limiting of potential if you go that route. This is a time when you have to allow each other to do exactly what each of you wants to do, without having to explain too much or to account for your actions.

Oprah, your Personal Month for May 2017 is 9

Oprah, May is a 9 Personal Month in a 4 Personal Year and may introduce some emotional turmoil due to a relationship gone awry.

A friend or co-worker has let you down. Your trust has been damaged and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness.

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern for you. Look to next month for some insight into that aspect of your life.

Stedman, your Personal Month for May 2017 is 6

Stedman, May is a 6 Personal Month in a 1 Personal Year. Love is a strong possibility and may require commitment. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community affairs move to the foreground of your life.

Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

Consequently, this combination can represent both extremes of relationship -- either deeper commitment and more lasting love; or separation and divorce.

Honesty is essential to the positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation. However, white lies can turn ugly and become very destructive, particularly during this time.

In general, this is a good time for career and financial matters, as long as you are wise and careful. Be sure to avoid speculation or chance-taking.

This month may get you involved in a legal affair and, if that is the case, you can look

forward to a positive outcome, as long as you stick to the truth and behave honorably.

During a 6 Personal Month, 1 Personal Year, your ethics and moral values -- more than at any other time -- are crucial to your success.

Your Personal Month's compatibility for May 2017 is 9 and 6

Strange as it seems, this is considered a very compatible combination of cycles precisely because this is a difficult and emotional time for Oprah. Stedman is more devoted and committed to the relationship during this period and that is exactly what Oprah needs; tender loving care and strong commitment. Oprah may well feel that the world is crumbling, or that expectations have not been met. Mood swings and doubts can play havoc with a person's life during a nine period. Stedman, on the other hand, is more stable and will be happy to be in a position to offer comfort and strength. Oprah, you may find yourself relying heavily on Stedman, in particular on an emotional and spiritual level.

Much will depend on Stedman's ability to offer support and comfort, but an important and positive ingredient Oprah brings in, is moments of clarity and enhanced perspective, born from an urgency to understand what is going on and where to go next. When it comes to examining the future, the goals and expectations you share, and what is needed to reach these goals, Oprah can be a source of inspiration. After all, it is when we feel as if the rug is being pulled from under our feet that we realize what we need to do to survive. Like adrenaline for the soul, the moments of fear and anxiety Oprah may experience, are also the moments we can see clearly what we need to do and how we need to do it.

Oprah, your Personal Month for June 2017 is 1

Oprah, June is a 1 Personal Month in a 4 Personal Year. It gives you a new start in some area of your life, perhaps career, or a some new project or endeavor.

This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Stedman, your Personal Month for June 2017 is 7

Stedman, June is a 7 Personal Month in a 1 Personal Year and offers time and opportunity for contemplation and insight.

Career and romance do not require as much attention as your own inner need to understand your motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. This is a month to set aside time for yourself. Look inside, get a better idea of what you want out of life, and don't be afraid to confront yourself. This is a spiritual time and a wonderful opportunity to gain insight into your true motivations and desires.

Your career should not require much attention; just keep up your sails and let the wind take care of the rest.

Financially, this is a time to be conservative. Let friends coast on their own. This is a month to devote to the inner you.

Your Personal Month's compatibility for June 2017 is 1 and 7

The challenge in the relationship between these two cycles is to maintain the feeling of belonging. There are big differences between the way the one cycle and the seven cycles affect you, Oprah and Stedman, but one thing they have in common is that both cycles increase the awareness of independence and individuality. In other words, Oprah and Stedman, both of you will kind of feel your selves distancing from the relationship, which is not per se bad. In fact, it may add to the longevity of your relationship.

However, if your expectations are that you will spend a lot of time together, share everything, and that nothing will change, your expectations will not be met.

The wise thing to do is to accept the fact that you will move apart somewhat during this period. It is temporary and necessary for your personal growth.

Oprah, you should focus on your career and goals. For Stedman, the focus is more inward, towards spiritual and mental growth. Stedman is going through a period of self-discovery and needs time alone. Oprah has opportunities for progress and needs to take advantage of that. As you can see, your individual needs demand that you pay less attention to your partner and more to your selves. This may make you feel as if the relationship were weakening. That is not the case, unless you turn it into an issue. If you simply accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth to both of you as individuals, and does not do that at the cost of the relationship.

Oprah, your Personal Month for July 2017 is 2

Oprah, July is a 2 Personal Month in a 4 Personal Year. At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Oprah, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

Stedman, your Personal Month for July 2017 is 8

Stedman, July is an 8 Personal Month in a 1 Personal Year. Career and finances are at the top of all your priorities. Work hard and wisely. Combine practicality and vision. This is not the time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking any unnecessary risks. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true. All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month brings strong emotions in personal relationships. Chances are good that someone has been trying to take advantage of you. Moreover, this realization leaves you disappointed. The situation will eventually be resolved, but the healing will likely take time.

If you are not yet romantically involved, this month may introduce you to someone special through work or business.

Your Personal Month's compatibility for July 2017 is 2 and 8

Oprah and Stedman, this is a difficult combination of cycles. Your priorities are not aligned. For Oprah, the relationship and all matters of the heart are important at this time. Emotional turmoil is right around the corner. And it won't take much to turn that corner. More sensitive than usual and vulnerable to criticism, perceived neglect, and lack of attention, Oprah may be quite demanding in that regard.

For Stedman, the relationship takes second, or perhaps third place at this time. Stedman's focal point is everything around the relationship. From friends to career, and from family to finances, Stedman wants to heal and improve everything that surrounds and sustains the relationship, but in the process may not pay much attention to you,

Oprah.

In addition, Stedman may feel that Oprah does not carry enough weight, when in fact Oprah's energies are simply directed elsewhere. As you can see, this combination of cycles offers opportunities galore for misunderstandings and disagreements. It is likely that you will experience some rough spots, but it is also likely that at the end of this period you have both brought something to the relationship; Stedman will manage to make improvements in areas outside the relationship while Oprah will strengthen the relationship on a deeper level.

Oprah, your Personal Month for August 2017 is 3

Oprah, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Oprah, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Stedman, your Personal Month for August 2017 is 9

Stedman, August is a 9 Personal Month in a 1 Personal Year and promises some important changes. The previous year -- a 9 Personal Year and this year, your 1 Personal Year -- are considered a two-year block of time in which much wrapping up of old business, habits, and personal relationships are finally put to rest. This month, your 9 Personal Month in your 1 Personal Year, represents the concluding stage of that two year period. The last quick sweep of outdated concepts and expectations, confusions and doubts is done.

With the beginning of next month, your inner house will be thoroughly cleaned. There will be a few moments of unexplainable emotional upsets, melancholy, and such, but they are essentially the remnants of the old you. Share those feelings with someone close to you. Take comfort in heart-to-heart talks. Still, do not doubt that you now have both feet firmly planted in the new 9 year cycle. You are ready to move ahead.

If your love relationship is fairly recent, Stedman, or still fragile, this month will likely reveal whether it is of true substance and endurance. Let go of whatever wants to be free; hold on to what wants to stay. And then look to a brighter future.

Your Personal Month's compatibility for August 2017 is 3 and 9

Oprah and Stedman, this combination of cycles is quite compatible and it often gives birth to new ideas and plans for the future. You are both experiencing a time of enhanced creativity. You may plan to remodel the house, buy new furniture, or otherwise change and improve the environment you share.

Stedman, however, is also experiencing a challenging time of powerful emotions.

Stedman is on shaky ground and needs a stable environment as well as Oprah's support and confidence. Oprah is more upbeat and optimistic than usual and can be a much-needed source of comfort for Stedman. Although this does not look like an ideal situation to make changes such as planning a remodel or buying new furniture, it is in the making of such plans and the creative process that Stedman's need to feel secure is enforced.

Oprah should be aware that Stedman is not as grounded as usual right now and some patience may be prudent. For Stedman, this is a time of choice and decisions - but on a deep, even subconscious level. Nothing is clear. Nothing is simple.

During this combination of cycles much depends on Oprah's ability to be a source of strength and comfort for Stedman. Oprah and Stedman, the nine-cycle is always the most challenging time for anyone, while the three-cycle is considered one of the easiest and most pleasurable. For that reason, you are lucky to have this combination whereby Oprah, with the three-cycle, can support Stedman during the time the nine dominates.

Oprah, your Personal Month for September 2017 is 4

Oprah, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration.

Oprah, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

Stedman, your Personal Month for September 2017 is 1

Stedman, September is 1 Personal Month in a 1 Personal Year. You experience an increase in inner strength, independence, and individuality. Your health improves. You are more emotionally stable and ready to aggressively pursue your goals.

This is also the time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination of numbers inspires smokers to quit, over-eaters to modify their diets, health abusers to reform. It is unmistakably the dawn of a new era in your life.

Read the Decoz material on your current Pinnacle number again (see your Personal Reading - the Pinnacle Cycles), for a good understanding of the direction your life is taking.

If you are single, Stedman, you may encounter someone during the second part of this month, or the beginning of next, who may well become a permanent part of your life.

Your Personal Month's compatibility for September 2017 is 4 and 1

Oprah and Stedman, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Oprah, your Personal Month for October 2017 is 5

Oprah, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic

month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Stedman, your Personal Month for October 2017 is 2

Stedman, October is a 2 Personal Month in a 1 Personal Year. Your intuition and sensitivity are heightened. You are much more aware of feelings, your own as well as those of others. This may cause you to make mountains out of mole-hills, however. Still, you possess the ability to gently guide others, and to maintain harmony even in potentially discordant situations.

This combination of numbers represents opposites, yin and the yang -- the most masculine number 1 and the most feminine 2.

The result is that you experience the best of two worlds; the strength and confidence of the leader, and the tact and subtlety of the diplomat.

Stedman, you may experience an increase in your authority at work.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and love stronger felt -- by you and by your loved one.

You are more vulnerable to criticism than usual, which can cause outbursts of anger. By the end of the month and the beginning of the next month you may realize that an apology is both wise and in order.

Your Personal Month's compatibility for October 2017 is 5 and 2

Stedman and Oprah, the 2 and the 5 get along fine in many ways; they happily play together, love together, and enjoy each others company. At least as long as everything is in harmony. However, the moment they hit a bump in the road, the results can be disastrous.

Therefore, the trick is to avoid bumps in the road as much as possible. Strange as it sounds, this is a good time to stay on the surface, not dig too deep.

For Stedman, the enhanced emotional vulnerability typical of a 2 cycle opens the door to possible negative feelings that are out of proportion with what is really going on. A minor criticism can become a major source of discontent for Stedman. At the same time, Oprah is not as aware as usual; more impulsive, and quicker to say something without much consideration for the feelings of others. Oprah's mind is more active and less restrained. It is important for both of you to take each others remarks, especially those spoken in the heat of the moment, with a big dose of salt. Neither one of you is particularly good at expressing yourself accurately, or true to your real nature, during this time. Oprah is too quick and impulsive, Stedman is too sensitive and emotional. It will

help you to keep this in mind and allow each other some leeway during this time.

Oprah, your Personal Month for November 2017 is 6

Oprah, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Oprah, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Stedman, your Personal Month for November 2017 is 3

Stedman, November is a 3 Personal Month in a 1 Personal Year. It is an excellent time to inspire and motivate others.

Your enthusiasm is contagious and no obstacle is too great to overcome. You have little patience this month and would like everything to go much faster. Your mind goes at Mach speed but may scatter your energies. You will be all too willing to cut corners to avoid effort or details, which may result in a frustrating and over-worked December.

Be disciplined and follow projects through to completion.

Ideas come popping out of you. Stedman, your creativity seems to burst in all directions. The trick is in differentiating between iron balloons and those that truly float.

The opposite sex is attracted to you and temptation is part of the game. There is the danger of irresponsible behavior. Be careful.

Your Personal Month's compatibility for November 2017 is 6 and 3

Stedman and Oprah, this is a time of strong feelings for both of you. Although inspired by different motives, you are drawn to each other and feel closer than usual. For Stedman, this is in part the result of seeing more clearly the importance of everything not related to career or finances: family, friends, social activities, and so forth. For Oprah, the driving force right now is simply the heart. For both of you, the priorities shift somewhat towards the joy of living, towards things away from the daily grind.

A possible danger lies in the fact that Oprah needs more attention than usual during this time, while Stedman requires less attention and would rather devote more time to people and activities outside the relationship.

Oprah, your Personal Month for December 2017 is 7

Oprah, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Stedman, your Personal Month for December 2017 is 4

Stedman, December is a 4 Personal Month in a 1 Personal Year. It brings opportunity and frustration. Stay focused on your goals and work hard. It is an excellent month for career with much opportunity for progress, due partly to last month's optimism and enthusiasm. You have impressed people, some of whom are now ready to offer you the proverbial carrot. There is a hitch; you may not feel you are ready, and a little courage is required.

Another aspect of this combination of numbers is the frustration caused by your inability to force a direction of your own choosing. You may feel caught in a trap, stuck in a rut. Stedman, you have to be willing to maintain a high level of effort, because this is definitely not a time to quit, no matter how frustrating the current period may be. Even in

matters of the heart, you may feel stuck in the mud.

Patience and diligence are the key-words for this month.

Your Personal Month's compatibility for December 2017 is 7 and 4

Stedman and Oprah, partners often find themselves distancing from each other during the combination of cycles you are presently going through. You may find that this also applies to you. However, this is not a result of lessened interest in each other, but of the fact that your cycles are focused in different directions. For Stedman, this is a time of grounding and dealing with mundane and practical matters, often experienced as frustrating and boring. For Oprah, this is a time of inner search, daydreaming, and quiet contemplation, a time of doubts and questions, and a time of learning about the self. So, it is not difficult to see how the influence of your cycles can create some distance and a lack of communication.

Keep in mind that this is not per se a negative development, as long as you don't try too hard to force yourself into your partner's world.
